BOOK CLUB First Monday in the Month

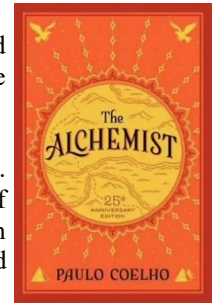

The book that we read in February and enjoyed by all members was "The Angry Women's Choir" by Meg Bignell

Once in a while, everyone needs to be heard. Freycinet Barnes has built herself the perfect existence. With beautiful children, a successful husband and a well-ordered schedule, it's a life so full she simply doesn't fit. When she steps outside her calendar and is accidentally thrown into the generous bosom of the West Moonah Women's Choir, she finds music, laughter, friendship and a humming wellspring of rage. With the ready acceptance of the colourful choristers, Frey learns that voices can move mountains, fury can be kind and life can do with a bit of ruining. Together, Frey and the choir sing their anger, they breathe it in and stitch it up, belt it out and spin it into a fierce, driving beat that will kick the system square in the balls, and possibly demolish them all.

And in one sentence — An all women's choir shows that art and friendship can move mountains, fury can be kind and sometimes life can do with a bit of ruining.

In March, we are going to read "The Alchemist" by Paulo Coelho. This masterpiece, first published in 1988, tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest leads him to riches far different—and far more satisfying—than he ever imagined.

SIP N'CHAT Third Tuesday in the Month

The February Sip 'N Chat was held at the Twenty One Days Later Cafe in Post Office Place Glenroy and was so well attended that we have decided to hold future meetings at this venue. At least for a while. So please come along on the third Tuesday of the month at 10.30 am for a cuppa/coffee and a piece of cake and a discussion of any topic that strikes your fancy.

MARCH MEETING

Members are advised to be on time, **9:45am** on Tuesday, we are attempting to have the AGM over before 10:30am. Max has done a excellent job advertising our speaker, Charlie Bezzina. Many of us have heard Glenroy residents talking about it so we may have a large number of visitors, arriving before 10:30am, We just do not know. If we can kick off at **9:45am** it will help.
